Dear Greenwich Elementary Families,

After seven years as the Greenwich Elementary School Principal, Lisa Palmer will be leaving to become the Assistant Director of Human Resources with WSWHE BOCES. Although this is a loss for Greenwich, we wish Mrs. Palmer the best in the next step of her professional career.

She would like to thank each and every one of you for all of your support and entrusting her with your children for the past seven years. “This decision did not come easy. I will take with me many memories and friendships that I have built during my time at Greenwich Elementary School. I will certainly miss working in this community and the opportunity to interact with such dedicated students, families and faculty.”

We are very proud of what the faculty and staff have accomplished at Greenwich Elementary under the leadership of Mrs. Palmer and know that they will continue to work tirelessly to provide a high quality education for your children.

Please be assured that the District is establishing a timeline and will work with stakeholders to secure a new principal for the Greenwich Elementary School. We are determined to recruit and hire a high quality professional leader to serve our students, families and faculty.

Sincerely,

Mark E. Fish  
Superintendent of Schools
