September 14, 2005

Dear Greenwich Parent:

Effective September 21, 2005, students will not be able to use the Food Service Program cafeteria charge system if no money remains in their account.

In the past, students could add charges after their account balance reached zero, while a notice was sent to parents that more funds were needed. Parents could then add funds to cover existing and future charges. We have been advised that this is not a legal procedure under the regulations that govern school district financial operations.

We will make the change through the following process:

1. Letters were sent out twice this summer and again this month to parents of students whose account balances have reached zero. Parents are asked to add funds to these accounts by September 21, 2005, to cover back charges, as well as an amount at the level the parent chooses, to cover future charges the student wishes to make. Parents may call the Food Service Department at 692-9542 x4218 for information on balances and records of charges. (Please note that parents can place restrictions on the types of foods, such as snack items, that students may purchase through the accounts.)
2. Beginning September 21, 2005, students will not be allowed to charge any items if they do not have funds in their account to cover the cost of the items. Students will be given milk and a sandwich, in this situation, as an emergency step. Parents must add money to cover charges, before students can use the account again.

In the future, we urge parents to estimate and track students' expenditures as closely as possible, and to check on accounts by calling the Food Service Department at 692-9542 x4218 or online using your family account number at <http://www.greenwichcsd.org/foodservice>, to ensure that students have sufficient funds in their accounts.

Our goal is to provide for the educational needs and the overall health and well-being of students. We ask parents to help us ensure that children have healthy, balanced meals, by making sure those students who plan to purchase their breakfast and/or lunch in our cafeterias have the funds they need to obtain the nutritious meal of their choice.

If you have any questions or concerns about this change or information on your individual account, please call Shirley Drumm, Food Service Director, at 692-9542 x4218.

Sincerely,

Michael Ouimet
School Business Administrator

Please remember that the federal Free and Reduction Price Meal Program is available to help families ensure that students receive nutritious meals during the school day, on a fully confidential basis, during times of temporary or long-term financial difficulty. We urge families to contact us at 692-9542 x4218 for information on eligibility for this benefit.

“Charge” Policies for the Students of the Greenwich Central School District:

No charges will be accepted from any students in the Greenwich Central School District. It is our policy, however, that no student ever goes hungry at GCS.

In the event that a student comes to breakfast or lunch service and has no money and no bag lunch, and is not approved for free or reduced price meals, he/she will be provided with an emergency meal at no cost. The food service department will not ask for money for the emergency meal from the student or his/her parents at any time.

Emergency meals consist of **Breakfast:** toast and juice, or PB&J sandwich and juice
Lunch: sandwich and 2% white milk

Students may ask for additional sandwiches/toast at no cost.

Parents and/or school counselors may be notified if a student requests emergency meals several days in a row, or several times in a two-week period.

Students will not be provided with meals featuring the menu items as emergency meals. We cannot provide menu meals to students without money whose parents may call the Food Service Office, or school office, and offer to pay later.

We do not accept charges for milk or snacks.

I Forgot My Lunch!

It can happen to anybody....you get to school and realize the lunch Mom packed is still at home, sitting on the kitchen counter. Or you check your pockets for lunch money, and find only lint! The Greenwich Central School District Board of Education has a policy that ensures *No Child Goes Hungry*. Any student who has no money, no lunch, and is not eligible for free or reduced price meals, will receive a sandwich and milk for lunch at no cost, in any cafeteria in the district. The cashier will not take the child's name, and no repayment is required. At breakfast time, students who have no money may receive toast and juice, or a peanut butter and jelly sandwich and milk. The policy does not allow for charges of the regular menu meal. (No charges are accepted at any school for meals, beverages, or snacks.) Of course, this plan is to prevent emergencies, and make sure no child spends their school day hungry. Students who require this service 5 times in two weeks are brought to the attention of school staff, and parents are called. It is the responsibility of every parent (who is not qualified for free meals) to provide meals, or money to purchase them, for their children every day. But if you forget, we've got the sandwiches ready!

Meeting of November 21, 2005

CONSENT AGENDA

The Board accepted a donation of \$2500 from The Hedbring Foundation for the operation of the LIFTS program. LIFTS (Learning Is Fun Through the Summer) is an enrichment program for Elementary Students. The District would like to publicly thank The Hedbring Foundation and Mr. Hedbring for their continued support of the programs here at Greenwich Central School.

PRESENTATIONS

Mr. McGuire along with two High School students (Emily Gregorek 9TH Grade and Adam Gardineer 9th Grade) presented the NYS School Board Recognition to the Greenwich Board of Education members, Joseph O'Malley (President), Judith Klingebiel (Vice President), Tom Graves, Susan Percoco and Katherine Roome. We are sure that our Board members have received a number of mugs and plaques extending our appreciation for their unflappable work towards the betterment of our District. This year we would like to donate books to our Schools Libraries in the names of our Board of Education Members.

Michael Ouimet (School Business Administrator) presented a report regarding upcoming Comptroller's audits, as ours has not yet been scheduled. This report encompasses recent changes that are sought by New York State in light of some districts mismanagement of tax payer's money.

Board Highlights

1

Meeting of December 19, 2005

PUBLIC COMMENTS

Members of the faculty had questions for the Superintendent and the Board regarding the process that was to be followed, more precisely the level of participation of constituent groups, for the hiring process of the Elementary Principal and the Secondary Assistant Principal. When asked if they would consider a change the Superintendent and Board said that they would leave the system as it was developed.

Comments were made regarding Continuous Improvement, noting that this initiative builds on the fine work thus far accomplished throughout the district.

CONSENT AGENDA

The Board approved an agreement with **Adirondack School Portraits** for the 2006 calendar year, January 1, 2006 through December 31, 2006. A **donation** of \$2,030 from The Ready Fund was accepted by the Board of Education for the purchase of snow shoes for the Elementary Physical Education program.

PRESENTATIONS

Mr. Steve Bethel from Jenkins, Law, Beecher & Bethel, LLP delivered the **Independent Audit Report** for the 2004-2005 fiscal year. An outstanding 'unqualified opinion' of the district's financial operations was issued by the firm.

Mr. Donnelly recognized the following students for their achievement of **National Merit Scholarship** recipients; Sarah McFadden, Keith Pendergrass, Emily Simoneau and Aaron Thomas-Bolduc. The recognition was based on the students scores on their PSAT's as compared to all students that took the test across the United States, 1.3 million students from 21,000 High Schools. To be Commended, a student must score within the top 2%, which Sarah, Keith and Aaron achieved. These three also scored within the top 1% of New York State (119,000 students). To qualify as a Finalist one must score within the top 1%, which Emily achieved. In New York State, Emily scored within the top 750. This is a tremendous effort on their parts and a true testament to their effort and that of their parents.

Rev. Barbara Thomas, Sue Gordon (High School Choral Teacher) and students Liz Worthington and Megan St. John discussed with the Board the **Uganda Heritage Roots Exchange**. The Group would like to raise \$50,000 to bring 9 students and an instructor to our area so that GCS can experience their lives, stories and experiences. They asked for permission to advertise within the school and asked that if organizations are planning fund raising events that they may help out and include their Exchange Program. The anticipated time for this event would be September 2006 and last one month.

Mrs. Gapczynski presented the **Kindergarten Screening and Ready Set Kindergarten** program with time frames and potential topics that are discussed and presented to both the student and the parent/guardian at the Elementary School.

POLICY REVIEW

The Board waived the second reading and adopted the following **policies**:
Cell Phones - #8332 Credit Cards - #8334 Snack Policy - #9170

DISCUSSION ITEMS

A discussion was held regarding the **Summer Science Program**. Howard Romack, a retired Science Teacher, would like to offer a 5-day, 6th Grade Summer Science Program. The anticipated structure of the program would be for 25 students plus an extra assistant (possibly an Elementary Teacher). Cost would be the one teacher at professional rate of pay, a bus driver and pay and the use of a bus for 5 days.

SUPERINTENDENT'S REPORT

Mr. McGuire noted the passing of retirees, Nestine Harrington, Elementary Library Aide and Diane Scott, Elementary Teacher with a moment of silence being held in their honor.

Mr. McGuire acknowledged the truly wonderful concert experiences over the last few weeks, from Middle Grade to High School.

NYSSBA is working on the preparation of the district policy manuals, which will be completed this school year.

Mr. McGuire noted that that we have used 2 of our 4 snow days before the holiday recess.
